

WALVIS BAY SALT REFINERS

a  Bud Group Company

GRADUATE INTERNSHIP OPPORTUNITY:

FIXED TERM CONTRACT

15 January 2024 – 13 December 2024

Walvis Bay Salt - an equal opportunity employer - through its subsidiary operating companies, is the largest producer of solar sea salt in Sub-Saharan Africa. Inclusive of its value addition processes the Group's annual output is more than 1 million tons of product.

Walvis Bay Salt Refiners (Pty) Ltd is offering a differently abled graduate student the opportunity to gain practical experience and foundational knowledge in the Namibian Salt Field processes. The candidate will gain valuable insight into the salt field processes and general operations.

Program Objectives:

- Gain an understanding of monitoring, measuring and reporting of salt field operations, crystallizers, bitterns and performance targets.
- Learn about deviations and non-conformance on product quality.
- Acquire knowledge about health, safety, environment and quality standards and compliance regulations applicable in the salt industry.
- Develop skills in data capturing, processing and basic analytics.

Program Minimum Requirements:

- Bachelors in Metallurgy, Chemical Engineering or Information and Technology from an accredited tertiary institute.
- Namibian citizen.
- Computer literate.

Location: Walvis Bay

Closing Date: 9 November 2023
